Current Experience

Preschool Special Education Teacher (12:1:2 Self-Contained Classroom) Variety Child Learning Center	09/01/2025-Present Levittown, NY
• Develop and implement individualized instruction aligned with students' IEP goals across academic, social-emotional, communication, and behavioral domains. • Provide differentiated instruction in a 12:1:2 special education classroom to meet the diverse learning needs of preschool-aged students with disabilities. • Collect and analyze data on student performance and progress toward IEP goals to inform instructional planning and progress reporting. • Collaborate with speech-language pathologists, occupational therapists, physical therapists, social workers, and families to support student growth and development. • Implement behavior support plans, positive reinforcement systems, and classroom management strategies to promote student success and engagement. • Facilitate whole-group, small-group, and individualized learning activities focused on early literacy, mathematics, communication, and social skills. • Maintain ongoing communication with families regarding student progress, classroom activities, and behavioral and academic needs. • Create a structured, nurturing, and inclusive classroom environment that fosters independence, self-regulation, and positive peer interactions. • Conduct formal and informal assessments to monitor developmental progress and guide instruction. • Participate in CSE meetings, annual reviews, and multidisciplinary team meetings to develop and review Individualized Education Programs (IEPS). • Develop and implement developmentally appropriate instruction targeting school readiness, early literacy, early numeracy, communication, play, and social-emotional skills.	

Applied Behavior Analysis (ABA) Behavior Technician (BT) Kids Learning Loft	12/2019-12/2025 Williston Park, NY
• Provided 1:1 individualized ABA therapy for students of varying ages and abilities • Implemented interventions such as discrete trial training, modeling, and Picture Exchange Communication (PECS) and treatment plans, driven by ongoing data collection • Maintained thorough records of student progress to inform therapy sessions and track acquisition of goals • Facilitated parent training to share research-based best practices for at-home reinforcement and increased success • Developed individualized behavior support plans based on individual assessments	

- Provided positive reinforcement to clients for desired behaviors and assisted the client with daily living skills, communication, and social skills
- Provided crisis intervention and de-escalation when needed, and taught self-management techniques to reduce challenging behavior

Permanent Substitute Teacher

01/2025-06/2025

Saltzman East Memorial Elementary School: Farmingdale UFSD
